**Notice of Discontinuance of Your Telephone Service  
By EveryCall Communications, Inc. DBA All American Home Phone**

Dear Customer:

EveryCall Communications, Inc., DBA All American Home Phone regrets to inform you that it is preparing to cease providing prepaid local and long distance service to customers in your service area. **<sup>1</sup> In order to avoid a disruption in service, you must make arrangements for service with a new telephone company before the cut-off date noted below.** The names and telephone numbers of local telephone service companies, which also typically provide long distance service, are listed in your telephone directory. Customer service representatives at these companies will help you to select services to most effectively replace your current All American Home Phone Service. If you arrange for new service before your All American Home Phone service is terminated and wish to keep your current telephone number(s), please be sure to address this with your new service provider. You will need to inform the new service provider of your Lifeline eligibility, and meet all Lifeline eligibility requirements as outlined by the new service provider.

**Subject to regulatory approvals, your service cut-off date is June 15, 2014. If you do not arrange to have your telephone service provided by a new telephone company prior to June 15, 2014, you may lose telephone service (which means that you will be unable to make local calls including 911) and you may not be able to keep your current telephone number(s) with the new service provider.** Effective with this notice, All American Home Phone will not make any changes to or reconnect existing service and will not accept orders for new service.

The Federal Communication Commission requires us to provide you with the following notice in connection with its review of the proposed discontinuance:

*The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of EveryCall Communications, Inc. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.*

-----  
<sup>1</sup> This discontinuance affects customers for All American Home prepaid wireline local and long distance service in those parts of Louisiana, Mississippi, Alabama, Florida, Georgia, South Carolina, North Carolina, Kentucky, Tennessee, and Texas where AT&T is the incumbent local exchange carrier.

We thank you for being an All American Home Phone customer and wish you well with your new provider. Should you have any questions, please contact All American Home Phone at 1-800-673-1529.

Sincerely,

All American Home Phone
